Assembly and Instruction Procedure:

Every carton should contain a top section and a bottom section.
This will depend on what model you have purchased. Also included is a base.

1. Remove all packaging (i.e. cardboard or plastic) before beginning. Remove contents from packaging.
2. Choose a location where the tree is to be displayed.
3. Put the pot base on the ground then insert the tree body into the pot firmly. (See arrow A on Figure 1)
4. Gently lower all branch tips on tree. Take care not to place unnecessary pressure on the brackets during assembly (Figure 2).
5. The branches on your tree can be adjusted to give your tree the desired fullness. For best results, straighten and separate all branch tips, then bend them slightly upward.
6. Plug tree lights into a power outlet. (Figure 3)
