

## STUDENT STEEL STOOLS

### SUBSTITUTE SEATING

Sub in these steel stools across the educational environment to give students a choice on what seat works best for them! Learn by Safco® Student Steel Stools are lightweight and feature a convenient hold on top for carrying, making them ideal for being moved for brainstorming sessions or group projects. The powder coat finish makes the stools easy-to-clean. Simply wipe down to see fingerprints and pizza sauce from today's lunch disappear. With steel stools substitute seating is here to stay!
